Family Health West Sponsorship Policy

Family Health West is committed to supporting and investing in the community it serves. Due to our 501(c)(3) status and limited resources, FHW only supports nonprofit organizations whose projects and programs closely align with our defined sponsorship guidelines.

Purpose of Policy

This policy provides specific guidelines and criteria for measuring the appropriateness of solicited and unsolicited sponsorship requests and defines the process by which Family Health West will distribute funds.

Alignment with Our Mission

As a community-based, tax-exempt organization, Family Health West is committed to providing a Continuum of Care enhancing our community's quality of life through professional healthcare and related services.

Family Health West will focus its sponsorships on programs and projects developed and designed to encourage and enhance the health of citizens residing in the communities it serves. Organizations whose applications align with our mission will be considered but not guaranteed funding. Examples of programs or projects that may be considered are as follows:

- Those that improve access to healthcare and/or health-related activities
- Those that promote preventative health care and/or healthy lifestyles
- Those that serve children in the Lower Valley
- Those that provide health-related opportunities or activities for youth
- Those that improve the health of the senior population of Mesa County

Eligibility Criteria

Organizations with programs aligned with the Family Health West Mission must also meet the following criteria:

- 501(c)(3) or other recognized tax-exempt designation (must have copy of designation)
- No individuals, political or labor organizations

Process

1. Fill out a Family Health West Sponsorship Application
2. Submit the Application by mail with a copy of the 501(c)(3) designation to the following address:
