The Pathway to Healing

- Honor your family, a friend, your business, yourself, or commemorate someone you love with a beautifully crafted brick with your name, business or that of a loved one in the *Pathway to Healing* at Family Health West Hospital's Healing Garden in Fruita.

- Access to nature is a necessary ingredient in healthy human functioning. Gardens improve psychological well-being, provide environmental stimulation, a means of self-expression, natural light and the beauty of the outdoors feel better and heal faster. The new hospital's Healing Garden will be a place for patients, families, visitors, hospital staff and the entire community to enjoy.

- Buy a brick or several today for $250 each to leave your mark for a lifetime on the Pathway to Healing and become part of our Tradition of Caring.

BUY A BRICK TODAY! Each brick can hold three lines of text, 17 characters each. For example:
